

Security Document Hierarchy

Prepared by the DoD Lock Program - April 2024

Click on any blue, gray, or green box to open a PDF file for that document, except for CUI documents.

Blue boxes with light blue text are CUI documents which link to that agency's website where you have to register with a CAC to obtain the document.

Specification documents (gray or green boxes) provide information on how to construct various locks and containers.

Identification Key
 (Box Colors)
 Authority- **RED**
 Directives & Guidance- **BLUE**
 Federal Specification- **GRAY**
 Military Specification- **GREEN**
